The Financial Accounting Standards Board on statements pertaining to the Accounting for Uncertainty in Income Taxes recognized in the financial statements prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken on a tax return. The federal returns of the School for the three prior fiscal years are subject to examination by the IRS, generally for three years after the returns are filed. The tax positions taken for these years are based on clear and unambiguous tax law; and management has a high level of confidence in the technical merits of the positions taken.
