SUPPORT FOR STUDENTS

Does your child need additional support?

Some students may face challenges, whether academic or social-emotional. To ensure that we support your child's needs effectively, we invite you to use [this Google form](#). This tool allows you to communicate with Ms. Mindy Hedgepeth and Mr. Mike Jackson about any concerns regarding your student's academic performance or emotional well-being. Additionally, students are encouraged to use [this form](#) to express their own needs for extra support, guidance in setting up a plan for academic success, or to seek counseling services.

Counseling available from Center for Child Development

Felicia Jarmon from the Center for Child Development is now working with our students full time Mondays (8 am - 6 pm) and Thursdays (8 am - 3:30 pm), offering individual counseling and group counseling services. Families are recommended to fill out both the [individual counseling form \(linked here\)](#) and [group counseling form \(linked here\)](#) to offer students the opportunity to join either program as recommended by the counselor. Please see Beth Yirga, Assistant Head of School, for any additional information.
