(a) - We've received 100% of our state funds. This is on schedule with our expectations.

(b) - We received 90% of our local funding so far. This is behind schedule but the remainder should be received in the next couple of months.

(c) - Our repairs and maintenance costs are in line with the budget right now. However, there is a door in the basement that needs to be replaced due to a recent break-in. The door is estimated to cost ~\$7.5k. This spending is not in the budget. There will also be a temporary increase in security services that was not budgeted.
